# Preschool/Pre-K Calendar

2025-2026 School Year

This calendar is meant to give you an overview of what your child's school year will look like and hopefully allow you to plan ahead a little. I will still send home a large copy of the calendar with each month's newsletter- this document is simply an at-a-glance overview.

Please understand that this document is meant to be a guide- it is not the final verdict for each month. For the most part, things will remain as seen. For example, Thanksgiving Break, Christmas Break, and Spring Break all match the PSD Calendar and will not change. Holidays such as MLK Day and Labor Day will not change. Unexpected closures may occur, due to illness, emergencies, weather closures, etc. Because these are typically last minute, they cannot be planned a year out but will be communicated as early as possible.

Consider this an overview, and a guide for the year. I will deviate from it as little as possible, and tuition for days that unexpected closures occur will be reimbursed.
